New Business

Land Use Board Ordinance Amending Residential Zones - This will be carried to the next meeting on February 16, 2010.

Fire House Well - The water sample taken directly from the well is contaminated with E coli. Measures will be taken to correct this.

Pond Treatment - A proposal received from Great Blue will be forwarded to the Recreation Commission for review.

Oppose Bill S-82/A-437 (“Time of Decision Rule”) - Motion by Hughes, seconded by Corcoran to adopt the following resolution:

WHEREAS, S-82 and A-437 are intended to modify the “time of decision rule”, which currently allows municipalities to change the zoning regulations during the pendency of an application for development; and

WHEREAS, the bills would deem as complete the ordinances in effect at the time of an application and shall govern the review of that application and any decision made following upon that review; and

WHEREAS, the “time of decision rule” is a judicially recognized principal that decisions are to be made on the basis of laws, ordinances and regulations in effect at the time the decision is rendered not upon application; and

WHEREAS, courts have applied the “time of decision rule” to correct errors in zoning ordinances, thus giving local legislators the opportunity to correct legislative policy that had been found to be imperfectly expressed; and

WHEREAS, the “time of decision rule” has permitted a municipality to give additional legislative consideration to serious and substantial land use planning concerns that, for whatever reason, had not been previously addressed in the ordinance; and

WHEREAS, application and zoning changes require public discussion and hearings, and S-82/A-437 would permit developers to “beat the clock” by filing applications and freezing the ability of local officials to act.

NOW, THEREFORE, BE IT RESOLVED by the Township Committee of the Township of Lafayette in the County of Sussex in the State of New Jersey hereby urges our State Legislators to oppose S-82 and A-437 and any legislation which would eliminate the “time of decision rule” at the local level; and

BE IT FURTHER RESOLVED that a copy of this resolution be forwarded to Governor Chris Christie, Senator Steve Oroho, Assemblywoman Alison McHose, Assemblyman Gary Chuisano, the members of the Senate Community and Urban Affairs Committee, the Assembly Housing and Local Government Committee, the NJ State League of Municipalities and Sussex County municipalities.

Motion carried by roll call vote: Hughes-yes, Corcoran-yes, D’Angeli-yes, Sweeney-yes.

Support Bill S-1 (Dissolve COAH) - Motion by D’Angeli, seconded by Corcoran, to adopt the following resolution:

WHEREAS, the current regulatory model for providing a reasonable opportunity for affordable housing in this state is irreversibly broken; and

WHEREAS, within the Township of Lafayette, compliance with the existing models providing affordable housing means the Township must choose between the conflicting demands of providing for the preservation of the last remaining open space within the Township or complying with the Court Order for Affordable Housing; and

WHEREAS, the Senate has introduced Legislation S-1, which seeks to dramatically reform the way in which Affordable Housing is provided for in the State of New Jersey including, but not limited to, the abolishment of the Council on Affordable Housing; and

WHEREAS, the Township Committee of the Township of Lafayette hereby supports and endorses the proposals set forth in Senate Bill S-1.

NOW, THEREFORE, BE IT RESOLVED by the Township Committee of the Township of Lafayette that they call upon the Senate and Assembly to quickly pass legislation consistent with Senate Bill S-1 and ask Governor Christie to sign such legislation into law immediately after his receipt of such legislation from the Legislature.

BE IT FURTHER RESOLVED that a copy of this resolution be forwarded to Governor Christopher Christie, Senator Steve Oroho, Assemblywoman Alison McHose, Assemblyman Gary Chuisano, the NJ State League of Municipalities and Sussex County municipalities.

Motion carried by roll call vote: Hughes-yes, Corcoran-yes, D’Angeli-yes, Sweeney-yes.
