EDC Agenda

The Shoppes of Lafayette - The Shoppes was schedule to meet with The Technical Review Committee and town engineer to discuss details on how to proceed with adding a residential component.

Post Office - Six new locations were suggested during the open comment period. USPS was checking into these locations, funding, as well as deciding whether a one person or two person service counters is necessary.

Gas Lines - Elizabethtown Gas will be hooking up gas lines on Violet Trail. Don Kihlstrom reported they did come out to access his property, and discuss where they will be able to hook up the gas lines, but no final decisions had been made.

Additional Parking Lot Lights - The town is waiting on a proposal to add lighting to the public parking lots.

Sidewalks for Rt. 15 - The town engineer is working on several grant applications for the additional sidewalk that will continue to The Shoppes.

New Parking Lot Rt. 15 - The DEP will only allow 25 parking spaces due to the flood plain, and that the barn cannot be taken down.

Brochure and Website Map -

New Businesses - Green Thumb Industries, possibly coming to Lafayette.

EDC Chair - We will be discussing the possibility of separating duties, and voting on a new chair.

Events:

SCEDP Luncheon Awards - "Pandora's Box" was nominated for new business. We have no updates as to whether The Luncheon Awards will be able to take place.
