Location of Work along Road: _____

Roadway Surface Type: _____ Purpose of Opening: _____

Size of Opening: Length: _____ Width: _____ Depth: _____

Requested Dates for Construction: From: _____ To: _____

Description of Proposed Work: _____

The Township Engineer or Director of Public Works may at any time revoke a permit for non-performance of or non-compliance with any of the conditions, restrictions, and regulations per the Township's ordinance.

The permit shall not be approved until a performance/maintenance bond, the amount to be determined by the Township Engineer, has been posted with the municipality. The minimum performance bond amount is \$1,500.00. This performance bond shall be released one year from the date of completion of the work to ensure the workmanship is satisfactory.
